

BROCHURE

THE FULL DAY WEDDING SPECIALISTS

This brochure will guide you through the full day packages on offer from the high energy show after dinner and stomping 2 hour DJ set, to customised ceremony music & laid back afternoon drinks reception music with piano, guitars and harmony vocals.

The Hitmen Trio have been described often as a band that performs at weddings, as opposed to a regular “wedding band”. For the discerning bride and groom, this is an important distinction.

Since 2011, The Hitmen Trio have been gracing venues nationwide large and small, with their unique mix of music and original arrangements from classic covers to up to the minute songs.

Don’t let the acoustic trio line up mislead you- their main set after dinner is all about energy and full floor dancing from young to old with all genres catered for in their inimitable style. And the powerful sound system that they play through can cater for the hotel ballroom or most intimate boutique wedding venue.

Everyone cannot stop singing your praises since the day, from the drinks reception music to DJ'ing into the early hours of the morning, it was unbelievable. Our guests have said they would pay to go see a band like you play in an arena (who knows that could be your next move). The dance floor was full and every age group was giving it all they got all night. We couldn't have picked a better band for the day, you really were an integral part of the day and something we won't forget.

I can't express the biggest thank you and we wouldn't hesitate to recommend you to anyone, wishing the three of you all the best going forward and fingers crossed we'll come across you guys again very soon.

Maeve & Philip Owen, 26.10.15, Ballymagarvey Village

TESTIMONIALS

Fair play. It's rare these days that my expectations are met rarer still exceeded. You boys killed it. The dance floor was full from the first dance to the last with people shaking their tail feathers.

The ceremony was great, nice and relaxed. Your set was the highlight of the day with a great mix of song types. There were confirmed sightings of blokes on the dance floor that normally never stray from the safety of the bar. It was clear to the guests that you held nothing back and they responded in kind. Thank you thank you and thank you again.

Aaron & Carla

Well what can I say!! You's were absolutely amazing! You had the whole place up dancing all night! You were exactly what we we're looking for! Everyone was talking about you and saying it was the best band they've heard at a wedding! You made our night and we really appreciate it! You defiantly have a few fans after that! :)

*All the best for the future and I hope we'll meet you's again sometime!
Thanks again!*

Clodagh & Glenn

Your involvement in helping us pick the music for the day ensured we had a truly personal music experience during the ceremony, drinks reception and the party after dinner. I cannot thank you and the guys enough for creating such a bespoke, warm and fun experience for myself and Neil and all our guests.

With warmest regarads and the greatest of gratitude!

Sinead & Neil

Thank you for kicking the party off in Carton House on 27th September. Friends & family have been commenting on the band since...

"Great band, great songs" and most importantly, "got all age groups up on the dance floor".....We couldn't agree more!

Thanks again for everything.

Eoghain & Andrea

We really can't thank you guys enough for the pure professionalism you showed on our wedding day. Any request was met with a smile and grace (even learning one of our favourite songs and playing it for us on the night!!!). The Hitmen Trio truly made our wedding day one to remember playing a great setlist that had the crowds attention all night. There wasn't one person there who didn't comment on how amazing the guys were.

Thanks again.

Steph & Colin

Just wanted to drop you a quick email to thank you for doing such a great job at our wedding in the Village at Lyons in August. All of our guests raved about how fantastic you were and everyone had sore legs to match the sore heads the next morning with you lads keeping the dance floor packed all night. Your set list was exactly what we hoped for and we were delighted that you kept the night going so late! We will most definitely be recommending you to anyone we know planning a wedding or event.

Thanks again.

Mick & Caoimhe

A big massive thank you for making our wedding 25th Aug so amazing, we couldn't have asked for anything more!

You had the crowd up dancing all night, which these days is rare, I have been to so many weddings & have never seen anything like it.

We had a BBQ the day after the wedding & you guy's were the talking point, everyone one was raving about how good you were!

Joy & Liam

Completely blown away by you guys. The love for you was immense! Felt like you were all just part of the gang! We all just wanted to hang out with you!

Thank you just doesn't cut it! You made our special day perfect! Could not have been the same without you.

James & Danielle
